

WHO WE ARE

Origami Rehabilitation is a 501(c)(3) nonprofit organization that provides comprehensive rehabilitation through outpatient and residential programs. We believe in creating opportunities for individuals to maximize their recovery and restore their health, ability, and independence.

No matter where you are on your recovery journey, our team will meet you every step of the way.

Our mission is to create opportunities and transform lives. We strive to be the leader in maximizing access to innovative services with exceptional results. This is at the heart of what we do every single day.

WHO WE SERVE

Origami provides comprehensive rehabilitation for children, adolescents, and adults with neurological, developmental, mental health, and orthopedic conditions.

Diagnoses may include:

- Attention Deficit Hyperactivity Disorder
- Cerebral Palsy
- Depressive Disorder
- Generalized Anxiety Disorder
- Movement Disorders
- Multiple Sclerosis
- Neurological Deficits stemming from aneurysm, seizure, and/or tumor
- Neuromuscular Disease
- Orthopedic Injuries
- Parkinson's Disease
- Post-Concussion Syndrome
- Spinal Cord Injury
- Stroke
- Traumatic Brain Injury

Recovery can be a challenging journey. We use a unique approach and a network of community resources to meet the physical, social, spiritual, cognitive, and emotional needs of those we serve. Our serene and therapeutic campuses are designed to enhance and support recovery and rehabilitation.
