#### **Position**

[Origami Brain Injury Rehabilitation Center](#) is seeking an **Environmental Technician** with strong initiation, attention to detail, organization skills, and work ethic. Thoroughness of all cleaning responsibilities is essential. Individual must demonstrate high level customer service skills, possess strong ownership and accountability over job responsibilities, and independently complete special projects that contribute to the overall top quality appearance of the organization. Motivation and enthusiasm for working in a dynamic post-acute environment with persons who have sustained a brain injury is required.

#### **Responsibilities**

Routine and deep cleaning of all aspects of the Origami campus including inventory control, handling of cleaning supplies, reporting/addressing findings, and working closely with the facilities team to ensure the clean and orderly condition of all buildings.

#### **Requirements**

High school diploma, GED, or equivalent. To perform this position successfully, an individual must be able to perform each duty satisfactorily. This is a physically demanding position requiring constant movement; bending, lifting, climbing a step ladder. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. The subsequent listings of requirements are representative of the knowledge, skill, and/or abilities required.

#### **Preferred Experience**

At least 2 years of related experience and/or training

#### **Schedule**

Monday through Friday 10:30 am – 7:00 pm

Origami offers competitive salary commensurate with experience, training, and education. Benefits include health, vision, dental, wellness plan, paid time off (PTO), 403b, life insurance, employee assistance program, recognition programs, flexible schedule, and more!

Please submit resume, cover letter, and application (found at [www.origamirehab.org](http://www.origamirehab.org)) to:  
Vaughn Hubinger – Human Resource Coordinator

#### **ABOUT ORIGAMI BRAIN INJURY REHABILITATION CENTER**

Nestled on a beautiful 35 acre wooded smoke-free campus just outside of Lansing, Michigan, Origami is a CARF accredited, nonprofit organization offering a continuum of care for individuals who have sustained a brain injury. Origami provides more than medical care. We work as a team, bringing together committed professionals who use a unique interdisciplinary approach and a network of community resources to meet the physical, social, spiritual, cognitive, and emotional needs of those who have sustained a brain injury. We focus on maximizing recovery, restoring quality of life and independence.

Origami is fortunate to have two exceptional partners, Michigan State University College of Osteopathic Medicine and Peckham, Inc. The relationship between Origami, Peckham and Michigan State University is unparalleled in the area of brain injury care, recovery, and rehabilitation. The expertise and resources of all 3 organizations provides a mechanism for the most up-to-date services from medical expertise to community re-entry and return to work.

Origami maintains a policy of nondiscrimination with employees and applicants for employment in all terms, conditions, and privileges of employment including, but not limited to hiring, training, placement, employee development, promotion, transfer, compensation, benefits, educational assistance, layoff and recall, social and recreational programs, employee facilities, termination, and retirement. No aspect of employment with Origami will be influenced in any manner by race, color, gender, religion, sexual preference, age, national origin, disability, orientation, veteran status, or any other basis prohibited by statute.
