### Position

[Origami Brain Injury Rehabilitation Center](#) is seeking a Recreational Therapist with strong communication, initiation, attention to detail, creativity, organization, and thorough documentation skills. Individual must demonstrate high level customer service skills, compassion, possess strong ownership and accountability over job responsibilities, and enthusiastically work amongst an interdisciplinary team in a dynamic, post-acute environment with persons who have sustained a brain injury.

### Responsibilities

Applicant will be responsible for developing and administering individual and group recreational therapy services with residential, outpatient, and community-based clients. A variety of therapy techniques will be utilized to carry out the plan of care and assist in the attainment of the client's maximum functional level. Applicant should possess strong oral and written communication skills to relate professionally, positively, and cooperatively with client, external stakeholders, and team members. Hours are Monday-Friday, 40 hours a week.

### Requirements

- Bachelor's degree
- Certified as a Therapeutic Recreation Specialist (CTRS)

### Preferred Experience

- Experience with neuro-rehabilitation
- 2+ years of healthcare experience as a recreational therapist
- Additional certifications or training related to recreational therapy and/or leisure interests (aquatics, yoga, music, horticulture, etc.)

Origami offers competitive salary commensurate with experience, training, and education. Benefits include health, vision, dental, wellness plan, paid time off (PTO), 403b, life insurance, employee assistance program, recognition programs, flexible schedule, and more!

Please submit resume, cover letter, and application (located at [www.origamirehab.org](http://www.origamirehab.org)) to [jobs@origamirehab.org](mailto:jobs@origamirehab.org) or Fax (517) 336-6050

### ABOUT ORIGAMI BRAIN INJURY REHABILITATION CENTER

Nestled on a beautiful 35 acre wooded smoke-free campus just outside of Lansing, Michigan, Origami is a CARF accredited, nonprofit organization offering a continuum of care for individuals who have sustained a brain injury. Origami provides more than medical care. We work as a team, bringing together committed professionals who use a unique interdisciplinary approach and a network of community resources to meet the physical, social, spiritual, cognitive, and emotional needs of those who have sustained a brain injury. We focus on maximizing recovery, restoring quality of life and independence.

Origami is fortunate to have two exceptional partners, Michigan State University College of Osteopathic Medicine and Peckham, Inc. The relationship between Origami, Peckham and Michigan State University is unparalleled in the area of brain injury care, recovery, and rehabilitation. The expertise and resources of all 3 organizations provides a mechanism for the most up-to-date services from medical expertise to community re-entry and return to work.

Origami maintains a policy of nondiscrimination with employees and applicants for employment in all terms, conditions, and privileges of employment including, but not limited to hiring, training, placement, employee development, promotion, transfer, compensation, benefits, educational assistance, layoff and recall, social and recreational programs, employee facilities, termination, and retirement. No aspect of employment with Origami will be influenced in any manner by race, color, gender, religion, sexual preference, age, national origin, disability, orientation, veteran status, or any other basis prohibited by statute.
