Position

[Origami Brain Injury Rehabilitation Center](#) is seeking a Residential Manager to lead the operations of the residential program. Alongside the Director of Rehabilitation and management team, the Residential Manager identifies and implements strategies to ensure all clients and stakeholders receive the highest quality of care and customer service.

A successful Residential Manager at Origami will possess strong communication, strategic planning, employee development, and problem solving skills. Candidates should be enthusiastic for working amongst an interdisciplinary team in a dynamic, post-acute environment with persons who have sustained a brain injury.

Summary of Responsibilities

- Strive to maximize the efficiency and effectiveness of the residential operations.
- Engage employees in a positive work environment, which promotes mission objectives, retention, and support.
- Provide daily interaction, leadership and support to the Residential Supervisors and Culinary Specialist.
- Operate within the residential program's budget (supplies, staff development, merit increases, etc.)
- Participate in the hiring, training, accountability, evaluation, and development of employees within the residential program.
- Provide on-call support for the residential program (evenings, weekends, and holidays).

Requirements

- Bachelor's degree in healthcare administration, or equivalent, is required; advanced degrees preferred.
- A minimum of four years of related experience, including supervisory duties in clinical or residential rehabilitation.
- Management experience required.
- A combination of equivalent experience and education may be considered.

Preferred Experience

- Brain Injury Experience

Origami offers competitive salary commensurate with experience, training, and education. Benefits include health, vision, dental, wellness plan, paid time off (PTO), 403b, life insurance, employee assistance program, recognition programs, flexible schedule, and more!

Please submit resume, cover letter, and application (located at www.origamirehab.org) to jobs@origamirehab.org.

ABOUT ORIGAMI BRAIN INJURY REHABILITATION CENTER

Nestled on a beautiful 35 acre wooded smoke-free campus just outside of Lansing, Michigan, Origami is a CARF accredited, nonprofit organization offering a continuum of care for individuals who have sustained a brain injury. Origami provides more than medical care. We work as a team, bringing together committed professionals who use a unique interdisciplinary approach and a network of community resources to meet the physical, social, spiritual, cognitive, and emotional needs of those who have sustained a brain injury. We focus on maximizing recovery, restoring quality of life and independence.

Origami is fortunate to have two exceptional partners, Michigan State University College of Osteopathic Medicine and Peckham, Inc. The relationship between Origami, Peckham and Michigan State University is unparalleled in the area of brain injury care, recovery, and rehabilitation. The expertise and resources of all 3 organizations provides a mechanism for the most up-to-date services from medical expertise to community re-entry and return to work.

Origami maintains a policy of nondiscrimination with employees and applicants for employment in all terms, conditions, and privileges of employment including, but not limited to hiring, training, placement, employee development, promotion, transfer, compensation, benefits, educational assistance, layoff and recall, social and recreational programs, employee facilities, termination, and retirement. No aspect of employment with Origami will be influenced in any manner by race, color, gender, religion, sexual preference, age, national origin, disability, orientation, veteran status, or any other basis prohibited by statute.
